

**Nutritional Sciences Faculty Position
University of Wisconsin-Madison**

The Department of Nutritional Sciences at the University of Wisconsin-Madison invites applications for a tenured position at the Associate or Full Professor level. Although all areas of nutrition will be considered, we are particularly interested in applications from individuals whose research applies biochemical and molecular techniques to nutritional problems, or deals with the basic or clinical associations between nutrients and health. The successful candidate is expected to maintain a vigorous independent research program, provide leadership for departmental activities, and participate in the teaching of general and specialized nutrition courses at the undergraduate and graduate levels. Applications, including curriculum vitae, list of publications, summary of past work and accomplishments, and a statement of plans for future research should be sent to **Professor J.W. Suttie, Chair, Department of Nutritional Sciences, University of Wisconsin-Madison, 1415 Linden Drive, Madison, WI 53706, USA.** In addition, applicants should arrange for a least three letters of reference to be mailed to the same address. For full consideration, application materials should be received by December 15, 1994. The University of Wisconsin-Madison is an Affirmative Action, Equal Opportunity employer and encourages applications from women and minorities. Names, titles and/or occupations, and addresses of applicants and nominees cannot be kept confidential.

ZOO NUTRITION RESIDENT

Two-year position beginning in October. Requires M.S. degree in Nutrition or Animal Science, three letters of recommendation, a letter of intent, and a resume. Experience in nutrition and feeding and/or zoo experience preferable. Resident will be involved in all aspects of zoo animal nutrition for the feeding and care of over 2500 animals, including diet formulation, research and commissary management. Salary \$24,000/year plus benefits.
