

# Your research aids in the biological sciences . . .

## **JOURNAL OF MORPHOLOGY**

Devoted to the publication of original research on animal morphology, including cytology, protozoology, and the embryology of vertebrates and invertebrates. Articles do not usually exceed 32 journal pages in length.

Issued monthly, 3 vols. annually: \$30.00 Domestic, \$32.00 Foreign, per year.

## **THE JOURNAL OF COMPARATIVE NEUROLOGY**

Publishes the results of original investigations on the comparative anatomy and physiology of the nervous system.

Issued monthly, 3 vols. annually: \$30.00 Domestic, \$32.00 Foreign, per year.

## **THE AMERICAN JOURNAL OF ANATOMY**

Publishes the results of comprehensive investigations in vertebrate anatomy — descriptive, analytical, experimental.

Issued bimonthly, 2 vols. annually: \$20.00 Domestic, \$21.00 Foreign, per year.

## **THE ANATOMICAL RECORD**

*Official Organ of the American Association of Anatomists*

For the prompt publication of concise original articles on vertebrate anatomy, preliminary reports; technical notes; critical notes of interest to anatomists and short reviews of noteworthy publications.

Issued monthly, 3 vols. annually: \$30.00 Domestic, \$32.00 Foreign, per year.

## **THE JOURNAL OF EXPERIMENTAL ZOOLOGY**

Publishes papers embodying the results of original researches of an experimental or analytical nature in the field of zoology.

Issued 9 times a year, 3 vols. annually: \$30.00 Domestic, \$32.00 Foreign, per year.

## **AMERICAN JOURNAL OF PHYSICAL ANTHROPOLOGY**

*Official Organ of the American Association of Physical Anthropologists*

Publishes original articles on comparative human morphology and physiology as well as on the history of this branch of science and the techniques used therein. In addition, it gives comprehensive reviews of books and papers, a bibliography of current publications, abstracts and proceedings of the American Association of Physical Anthropologists, and informal communications.

Issued bimonthly, 2 vols. annually: \$15.00 Domestic, \$17.00 Foreign, per year.

## **JOURNAL OF CELLULAR PHYSIOLOGY**

*(Formerly Journal of Cellular and Comparative Physiology)*

Devoted to the publication of original research articles concerned with physiology at the cellular and sub-cellular level. Emphasis is on the processes involved in growth, function, survival and reproduction of cells. Areas covered include biosynthesis of macromolecules, cellular genetics, regulatory mechanisms, differentiation, nature of the cell surface, cell to cell interaction, permeability and transport, structure and function of sub-cellular organelles, nutrition, intermediary metabolism, dynamics of growth of cellular populations, and virus-cell interactions.

Issued bimonthly, 2 vols. annually: \$20.00 Domestic, \$21.00 Foreign, per year.

## **THE JOURNAL OF NUTRITION**

*Official Organ of the American Institute of Nutrition*

Publishes original research bearing on the nutrition of any organism. Supplements to the regular monthly issues are published irregularly as required by the editorial board.

Issued monthly, 3 vols. annually: \$22.50 Domestic, \$24.00 Foreign, per year.

## **THE AMERICAN ANATOMICAL MEMOIRS**

Publishes original monographs based on experimental or descriptive investigations in the field of anatomy which are too extensive to appear in the current periodicals. Each number contains only one monograph. List of monographs already published, with prices, sent on application.

*Your personal copy subscriptions cordially invited*

**THE WISTAR INSTITUTE OF ANATOMY AND BIOLOGY**

THIRTY-SIXTH STREET AT SPRUCE, PHILADELPHIA, PA. 19104

---

THE JOURNAL OF NUTRITION, ®, Official Organ of the American Institute of Nutrition, is owned and published monthly by The Wistar Institute of Anatomy and Biology, 36th Street at Spruce, Philadelphia, Pa. 19104. Subscription price is \$22.50 a year in U.S.A., \$24.00 a year mailed to out-of-country address. Second class postage paid at Philadelphia, Pa. Trade mark ® registered, U.S. Patent Office; Copyright © 1966 by The Wistar Institute of Anatomy and Biology. Printed in U.S.A. at the Press of The Wistar Institute.
