

Invitation for Nominations for 1982 American Institute of Nutrition Fellows

The Fellows Committee of the American Institute of Nutrition invites nominations for Fellows in the Society. Eligible candidates are active or retired members or foreign scientists, member or nonmember, who have passed their sixty-fifth birthday (by the time of the annual meeting) and who have had distinguished careers in nutrition. Up to five Fellows may be chosen each year.

Nominations may be made to the Chairman of the Fellows Committee by any member of the Society.

Nominations (in five copies) are due by October 1, including a supporting statement setting forth the basis for the nomination.

Final selection will be made by the Fellows Committee and a suitable citation will be presented at the annual dinner in April.

Fellows Committee:

T. H. JUKES, Chairman
