

PURE NUTRITION FOR PURE RESEARCH

PURINA TEST DIETS—75 YEARS OF LABORATORY EXPERIENCE
YOU CAN COUNT ON PURINA TO DELIVER.

Quality

All Purina Test Diets are backed by the Richmond Standard—your assurance of the highest commitment to quality control.

Flexibility

If a standard purified basal diet isn't right for your needs, we'll prepare a modified diet—or create a formula to your exact specifications.

Innovation

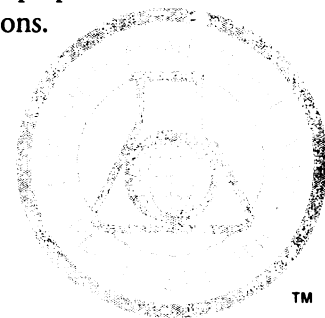

In addition to meal and pelleted forms, Purina now offers tableted products.

Responsive Service

Test Diet customers always get top priority. Expect delivery 7 to 10 days after placing your order.

**Dedication to
the research
community is a key
ingredient in every
Harlan Teklad Product**

Harlan Teklad has designed and developed thousands of research diets, one at a time. We serve a wide spectrum of academic institutions, government agencies, laboratories and private research facilities. Our success record is a result of uncompromising quality controls, production utilizing the finest nutritional ingredients,

relentless testing and total attention to customer service. Our diets are scientific tools for researchers in worldwide studies of up-to-date nutritional issues. We also supply quality ingredients to those who prepare research diets in the lab.

Call (608) 277-2070 for a copy of the new Harlan Teklad Research Diets Product Guide, or just to talk scientist to scientist.
