

AFRICAN AMERICAN WOMEN AND THEIR PREGNANCIES

Research papers from the Program Project:
Nutrition, Other Factors and the Outcome of Pregnancy

Guest Editor

Cecile Hoover Edwards
Howard University
Washington, D.C.

This supplement is the responsibility of its editor, to whom the Editor of *The Journal of Nutrition* has delegated supervision of both technical conformity to the published regulations of *The Journal of Nutrition* and general oversight of the scientific merit of each article. The material presented in this supplement does not necessarily represent the opinions of the officers or members of the American Institute of Nutrition. The costs of publication of this supplement were defrayed in part by the payment of page charges. This publication must therefore be hereby marked "advertisement" in accordance with 18 U.S.C. Section 1734 solely to indicate this fact.
