## PUBLICATION OF SUPPLEMENTS

The Journal of Nutrition is pleased to consider for publication as a supplement those manuscripts of scientific merit but of too great length to include in its regular issues. Such papers are subject to the same procedures of review as those submitted for regular publication and must conform to style as outlined in the Guide for Contributors. The full cost of publication is borne by the author. A more complete statement concerning supplements appears in Volume 52, Supplement 1, April 1954.
