Response to Reviews:

This field is to be used for responses to the reviewers' comments and associate editor's comments. (If your response includes figures or tables for the reviewers to consider, then please upload your response in a Supplemental file, on a subsequent file upload screen, rather than here.)

Online Supporting Material: This submission includes online supporting material (OSM) (include OSM in manuscript file and load OSM files as Supplemental Files).

Copyright Release Form Authors please note: *The Journal of Nutrition* [Authors' Statement and Copyright Release Form](#) must be signed by all authors and submitted to the American Society for Nutrition (ASN). Your paper will be held until the copyright form is received. If you have not already done so, obtain the necessary signatures and send the form to ASN in one of the following ways: fax the form to 301-634-7892 or, upon completing the online submission, upload a scanned copy of the completed form using the "Upload Copyright Form" link available in all Author Area queues.
